Cocktail in a Can

CLUBTAILS IS HOT! +50% VS. YEAR AGO*

WATERMELON FLAVORED HI ALC. FMB IS +136%**

*Can you say watermelon margarita
three times fast?*

If not, don't sweat it -- the simply sweet and refreshing flavors of this malted beverage speak for themselves. Whether it's dressed up with a garnish of lime, blended with ice or sipped straight from the can, the watermelon margarita's 10% alcohol content will make for an interesting night out -- no tongue twisters necessary.

16 OZ.
