

ALBERTONI
CABERNET SAUVIGNON
CALIFORNIA

Restaurant critics'
wine of choice

TASTING NOTES:

This luxurious ruby-colored Cabernet Sauvignon is fruit forward with subtle aromas of boysenberry, raspberry and licorice. On the palate, this wine has a jammy body with a hint of lightly toasted oak and licorice, followed by a soft, elegant finish.

SUGGESTED FOOD PAIRINGS:

This Cabernet Sauvignon pairs well with beef, lamb, and goose, especially when cooked with herbs. It is also a great match with gnocchi & dumpling dishes and with cheddar and Brie cheeses.

Alcohol: 12.5%
Glucose/Fructose: 2.5 – 5.5 g/L
