

ALBERTONI

MERLOT

CALIFORNIA

Restaurant critics'
wine of choice

TASTING NOTES:

With gorgeous red-velvet and crimson hues, this Merlot has hints of wild berries and black pepper. On the palate, its smooth but complex body brings forth flavors of plum and black cherry, followed by a soft, satisfying finish.

SUGGESTED FOOD PAIRINGS:

This Merlot pairs wonderfully with rich, red pasta sauces, turkey, beef, pork roast and tenderloin, and salads such as Roquefort & pear and Asian chicken. It is also a superb complement to chocolate.
