

ICELANDIC ARCTIC PALE ALE

**THE PERFECT BALANCE OF WESTERN HOPPINESS
AND OLD WORLD SUBTLETY**

Three varieties of select hops unite in our Arctic Pale Ale. Cascade hops give it American character, while Hallertau Tradition and Bavarian Northern Brewer hops temper the bitterness. The result is an ale that is full-bodied yet smooth, and uniquely Icelandic.

**HOPS: CASCADE, HALLERTAU TRADITION,
BAVARIAN NORTHERN BREWER**
MALTS: PALE MALT, CRYSTAL MALT
