

ICELANDIC WEE HEAVY

SURRENDER YOUR TASTEBUDS

Our Scotch Ale is the first of its kind to use Icelandic grown, birch-smoked barley in collaboration with Eimverk distillery in Garðabær. We then add native Icelandic Angelica, a fabled herb used by Vikings past. Our Wee Heavy is rich and hearty, with a touch of smokiness, and remains incredibly balanced. Your taste buds have no choice but to be conquered.

HOPS: BAVARIAN NORTHERN BREWER
MALTS: PALE MALT, CRYSTAL MALT, CHOCOLATE MALT
