UNIQUE, COMPLEX, & TIMELESS

ORVAL

TRAPPISTE

Est. 1070

Orval monastery brews one beer, and brews it to unique perfection. Dry, with a huge effervescent head, **Orval Trappist Ale** gains much of its character from a complex fermentation schedule with the use of Brettanomyces yeast. Amber-orange in color, dry-hopped, and always bottled in the distinctive Orval skittle shaped bottle.

ABV: 6.9% - OG: 1.055 - IBU: 32
