SINGHA

Singha Lager stands for the highest class Asian-Style Lager Beer, brewed according to the Original Thai Beer recipe. Since its creation in 1933, Singha uniquely combines the most authentic European brewing tradition with uncompromising standards in raw material selection.

SINGHA'S INGREDIENTS

The secret of Singha's signature taste lies in its ingredient sourcing process. Only the finest ingredients are sourced and used, which takes Singha to the highest global standard, in terms of flavor, color and aroma.

DOUBLE SAAZ HOPS
Premium hops, grown in Europe, impart mild herbal and floral flavors, for a refreshing one-of-a-kind taste.

BARLEY MALT
Singha sets the international standard as the only Thai brewer that uses 100% premium barley imported for a distinctive flavor.

WORLD-CLASS GUARANTEE

EARNED ISO 2000
certifying that the company maintains strict international quality standards throughout it's business operation
