BROOKLYN WINTER IPA

Cold weather calls for thick knit hats, swift sleds, and Brooklyn Winter IPA. This classic IPA layers Simcoe and Trident hops for notes of dark fruit, blood orange, and bright, frosty juniper and pine aromas. A touch of rye spice warms the finish to keep you cozy to the core. Stock up and enjoy the flurries while they last.

STYLE
Red IPA

HOPS
Trident and Simcoe

PROFILE
Wintry and warming with notes of juniper, blackberry jam, rye spice and fresh snowfall
