

# WinterStern

Old World Brewed

Beginning in 1516, Germany instituted purity laws stating "bier" could only be made using four ingredients: water, hops, malted barley and yeast. Now, 500 years later, the spirit of the Reinheitsgebot tradition continues by bringing you WinterStern. Pure Lager Bier.

*Prost!*

Brewed in strict accordance of the Reinheitsgebot tradition. WinterStern is brewed with Haller Perle Hops, lightly roasted 2 row summer barley malt and crystal-clear, soft brewing water from the Harz National Park. This gives our beer that classical German taste with a balanced aroma and a clean thirst quenching finish.
