WHY TRAIL PASS NA IN YOUR STORE?

- **HIGHEST QUALITY**

We believe choosing an NA craft brew should still mean going big on flavor, so we've perfected our process to deliver the hop-forward craft taste that consumers expect from a Sierra Nevada product.

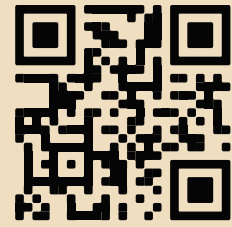

- **CONSUMER TESTED & APPROVED**

Multiple tests over the last two years to refine the liquid including focus groups, consumer tasting panels, consumer research studies and more.

- **LEVERAGING TRUST & REPUTATION**

Trust is the #1 purchase driver for new NA drinkers — so we are leaning into our gold scroll to deliver just that.

SIERRA NEVADA BREWING CO.

Since our founding in 1980, we've been brewing quality beer we love to drink. Our Pale Ale introduced a generation to the glory of hops and inspired a craft beer revolution in its wake. We keep pushing boundaries—whether that's in the brewhouse, in sustainability, or in our everyday adventures. All while staying 100% family owned, operated, and argued over.
