BLAKE'S HARD CIDER CO.

There's a lot to be thankful for here at Blake's as we celebrate a decade of farm, fruit, and fermentation. BHC was born from a desire to give customers a hard cider made from fresh pressed apples and pay homage to our fruit growing roots here in Armada, Michigan.

10 years later and we're still crafting adventurous hard ciders and pushing category boundaries with industry-leading innovation. Sounds complex, but it's actually pretty simple: big ideas, a bit of elbow grease, committed partners like you.
